

California Water Institute for Teachers Cosumnes River Preserve

Limited to 25 K-12 educators!
July 17 – 19 and October 19, 2024

Join us this summer for the CA Water Institute for Teachers. Enhance your environmental literacy and gain skills to engage students in the NGSS. Come explore the connections between our local water infrastructure and ecosystems and statewide California water systems and the valuable services each provides to sustain wildlife, agriculture and protect our communities.

*Receive \$400 stipend for attending all 4 days
Two CEU units available for purchase CSU Chico**

A \$50 registration fee includes all materials, breakfast and lunch for three of the days.

- Field experiences with scientists and engineers exploring local water resources and ecosystems – including canoe trip down the Cosumnes River and touring a regional water treatment plant.
- Engagement in a variety of exemplary lessons and activities that promote conceptual learning, critical thinking and decision-making skills that are the bedrock of NGSS and Common Core.
- Planning time with peers
