A partner at the firm of Ellison, Schneider & Harris since its founding in 1990, Anne, who passed away in 2010, was one of California's foremost water law attorneys. In 2006 she received the Lifetime Achievement Award from the Water Education Foundation.

The goal of this series of lectures is to encourage professional and personal commitment to water law and policy and the conservation of our special landscapes, in memory of Anne's lifelong devotion to these areas.
