

# Santa Ana River Watershed Conference

## 21<sup>st</sup> Century Water Strategy:

### *Working Together to Make a Finite Resource Infinite*

May 25, 2017 • Ontario Convention Center

#### **Greetings!**

The Santa Ana Watershed Project Authority and the Water Education Foundation are once again teaming up to produce the **2017 Santa Ana River Watershed Conference** on May 25th at the Ontario Convention Center.

The event is expected to draw attendees from throughout the West and California to the Santa Ana River watershed, which serves 6 million people, 71 retail and wholesale water agencies, 9 water replenishment districts and 4 conservation districts. Conference attendees will include key decision-makers, stakeholders and practitioners. SAWPA and the Water Education Foundation would like to invite you to participate as a **conference sponsor**.

As a sponsor, you would gain publicity and exposure for your organization, receive complimentary conference tickets, and much more! As a conference sponsor, you are also given a tabletop exhibit, which will give you the chance to network and discuss ideas and opportunities with regional decision-makers, water agency personnel, community members and state and federal agency representatives.

As always, we look forward to your participation with SAWPA and the Water Education Foundation in making this conference as successful as it has been in years past.

We will need to hear from you as soon as possible to be sure that you are included in all conference advertising and promotion. If you have any questions, please contact Beth Stern at the Water Education Foundation. Her email is [bstern@watereducation](mailto:bstern@watereducation).

If you are interested in being a conference sponsor, please fill out and return the attached Sponsorship Registration Form to Beth Stern at your earliest convenience. The conference promotional campaign will kick off in January, 2017.

We look forward to hearing from you.

Best regards,

Celeste Cantù  
General Manager  
SAWPA

Jennifer Bowles  
Executive Director  
Water Education Foundation

#### **Why Become A Conference Sponsor?**

- Provide local community members the opportunity to attend this one-of-a-kind event in the watershed
- Receive up to 20 free tickets to attend the conference for members of your organization or your guests
- Gain publicity and exposure for your organization to an audience comprised of regional decision-makers, water agency personnel, state and federal agency representatives, community members and many more
- Receive several benefits. See sponsorship levels below.

If you would like to become an event sponsor or need more information, **please contact Beth Stern at the Water Education Foundation, at 916-444-6240 or via email at [bstern@watereducation.org](mailto:bstern@watereducation.org)**
